

<b>PIANORCHESTRA VOL. 2</b> <b>Works by Smetana, Strawinski, Prokofiev et al.</b>  François-Xavier Poizat – piano	<b>ARS 38249</b>	<b>PC: 01S</b>
	1 SACD-Hybrid  2017	
Also available: <b>ARS 38139</b> <b>PIANORCHESTRA Vol. 1 – Works by Liszt/Strawinski/+</b> François-Xavier Poizat		

This recording presents a selection of arrangements of orchestral works for piano solo, with works by Smetana, Strawinski and others. The piano allows the player to express him – or herself with both coherence and flexibility – a challenge that is particularly great in the case of orchestral music. The New York-based French-Swiss pianist **François-Xavier Poizat** provides a wealth of tone colours while exploiting the virtuosic capabilities of the piano to its limits.
