WESTERN MOODS Works by Kernis, Hovhaness et al. Ensemble Esperanza	ARS38274	PC: 01S
	1 SACD-Hybrid 2018	

On their journey around the compass rose the **Ensemble Esperanza** targets the West with the third CD on ARS PRODUKTION. While the ambitious young string ensemble moved to the north and south of Europe during the previous recordings, it dares to jump across the big pond here. In addition to Samuel Barber's famous Adagio, numerous interesting new discoveries await the listener.
