<p>Also available: ARS 38832 Traugott Maximilian Eberwein – WEIMARER KLASSIK VOL. 2 Thüringisches Kammerorchester Weimar; Max Pommer</p>		

The music on this recording with works from the period of Viennese Classicism was performed on modern instruments, using Beethoven's instrumentation instructions from 1813. His works and also the works of Mozart and Haydn were sometimes more, sometimes less influenced by the *Weimarer Klassik*, which one connects to the writers like Goethe, Schiller or Herder.
