HALLELUJAH Gospels and Spirituals for mixed choir Europäischer Kammerchor Michael Reif	CAR210499	PC: 01Q

2018		

"Hallelujah. Gospels and Spirituals" transports us into the fascinating world of African American Folk Songs. The arrangements for mixed voice choir are extremely varied – sometimes rhythmic, sometimes solemn, but always emotional and exciting – in all their highs and lows. The Europäischer Kammerchor conducted by Michael Reif presents classics (Go down Moses, Kumbaya, Good news, Nobody knows the trouble I've seen) as well as some discoveries from the beginnings of spirituals, in some new and some well-known arrangements. Matching the CD, Carus also publishes the choral collection Hallelujah, which includes many more settings of gospels and spirituals.
