Throughout the world Christmas is celebrated – and everywhere, singing Christmas carols is part of the celebrations. This limited special edition offers over 100 of the most beautiful German and international carols: For the first time, the "Weihnachtslieder" (German Christmas Carols) as well as the "Weihnachtslieder aus aller Welt" (Christmas Carols of the World) of the prize-winning "LIEDERPROJEKT" are being issued together in a box set of 4 CDs. The "LIEDERPROJEKT" is a charity project produced by Carus and Southwest German Radio. For every box set sold, 2 EUR will be donated to projects which promote singing with children.
