The first part of the Heinrich Schütz Complete Recording with the **Dresdner Kammerchor** under **Hans-Christoph Rademann** has set new artistic and editorial standards. Now the second of three box sets is being released. It encompasses Volumes 9 to 14 of the Complete Recording, including the St John Passion. This work, representative of the high standard of the whole series, was awarded the German Record Critics' Award in 2016. Once again, top performers such as Hille Perl, Lee Santana, Dorothee Mields, Harry van der Kamp, and many others join the ensemble.
