	1 CD 2011 & 2018	

The Berlin vocal ensemble **sirventes berlin** and its director **Stefan Schuck** present a real Berlin Christmas CD: Berlin composers from the 19th to 21st centuries are collected here on one CD, from Felix Mendelssohn Bartholdy, Carl Thiel, Albert Becker, Peter Cornelius and Heinrich von Herzogenberg to the contemporary composer Frank Schwemmer. In addition to such famous works as "Frohloeket, ihr Völker" by Mendelssohn, numerous unknown treasures have been rediscovered.
