Antonin Dvořák SYMPHONY NO. 2 Staatsphilharmonie Nürnberg Marcus Bosch	COV 91735	PC: 01Q
	1 SACD-Hybrid 2017	
Also available: COV 91718 Antonin Dvořák – SYMPHONY NO. 1 Marcus Bosch/Staatsphilharmonie Nürnberg		

The much-praised Dvořák cycle is complete! **Marcus Bosch** and the **Staatsphilharmonie Nürnberg** have waited with the second symphony for the finale and combine it with the symphonic poem *The Golden Spinning Wheel*, written about thirty years later. The idea underlying the work of telling a bloody story in sonata form is unique in Dvořák's oeuvre.
