Luigi Boccherini STABAT MATER Núria Rial Orchester Le Phénix	COV 91813	PC: 015
	1 CD 2017	

For the setting of the contemplative but highly emotional text of the medieval sequence *Stabat mater* Boccherini chose an intimate chamber music instrumentation of soprano and string quintet (in his preferred instrumentation with two violins, viola and two cellos).

The five string instruments are not only accompaniment, but together with the singing voice they transform into one instrument section, so that one can speak of a sextet for singing voice and string quintet. With the angelic singing of **Núria Rial**, the work becomes a real treat for lovers of beautiful voices and chamber music lovers alike.
